Protecting investors for almost 20 years

ARMED WITH YEARS OF EXPERIENCE IN BOTH SECURITIES law and the brokerage industry, the attorneys at Shepherd Smith Edwards & Kantas LLP represent investors nationwide in substantial claims against investment companies and their agents. The firm uses its in-depth knowledge and experience in securities matters to champion the rights of investors through negotiation, mediation, arbitration and litigation.

Since 1990, SSEK has represented thousands of investors in claims against Wall Street brokerage firms. The law firm has experience in claims involving all types of securities, including stocks, bonds, mutual funds, annuities, CMOs, credit default swaps, complex derivatives and options. SSEK often receives referrals from lawyers around the country, who call upon its lawyers' expertise for their valued clients. The firm has represented investors in more than 40 states and numerous international clients.

As a securities litigation and arbitration boutique, SSEK knows well the complex regulations and laws related to the securities industry. Several of SSEK's lawyers and many staff members previously held positions as officers, compliance personnel or registered representatives of major Wall Street firms. Its attorneys, staff and consultants have more than 100 years of collective experience in the securities industry and securities law.

William Shepherd, who has a legal master's degree in securities regulation from Georgetown University, founded SSEK to protect investors after working more than 20 years in the brokerage industry. Shepherd's peers have recognized his knowledge and experience by naming him for five consecutive years to the elite *Texas Super Lawyers*[®] list.
